

PRE-APPOINTMENT INFORMATION 15 MONTH-OLD VISIT

At this visit, your child will be seeing our nurse for his/her **MMR** and **Chickenpox** vaccination.

- You may want to consider the combined **MMRV** vaccination (one dose which protects against MMR and chickenpox) for your child at this age.
- If your child has fever or contact with any infectious disease like Hand, Foot & Mouth disease, Chickenpox, etc., please reschedule your child's appointment via
 - NUP website at www.nup.com.sg, or
 - NUP appointment hotline at +65 6355 3000 or +65 6643 6969 (Queenstown Polyclinic)
- Before the child's appointment, please fill in your child's health booklet for the following:
 - Screening at 15 to 18 months (Health Booklet)
 - Child Safety Checklist: 15 to 18 months (Health Booklet)
- Our nurse will perform a growth check on your child and obtain his/her feeding history.
- You will be asked on your child's developmental milestones as below:
 - a) Can your child walk a few steps?
 - b) Can your child wave bye-bye or clap hands?
 - c) Can your child say Papa or Mama?

Please ensure that you or your accompanying person has this information available.
