Preparing for your child’s Vaccination

- Your child will be seeing our doctor and nurse for his/her 18-month old developmental assessment and 5-in-1 vaccination.

- Your child will also receive his/her second dose of the Flu (Influenza) vaccination if the first dose was administered at the last visit.

- If your child has fever or contact with any infectious disease like Hand, Foot & Mouth disease, Chickenpox, etc., please reschedule your child’s appointment via:
  a) NUP website, or
  b) NUP hotline at +65 6663 6847

Preparing for your child’s Growth Assessment

- Please fill in your child’s health booklet:
  a) Screening at 15 to 18 months
  b) Child Safety Checklist: 15-18 months

- Our nurse will perform a growth check on your child and obtain his/her feeding history. Please ensure that you or your accompanying person has this information available.

- Our doctor will perform a physical examination on your child.

- You may log in to the National Immunisation Registry (NIR) at www.nir.hpb.gov.sg to print your child’s immunisation certificate after today’s visit.
